

New Customer Agreement/ Cottage acknowledgement

Hello! Thank you for your interest in our services.

For your safety and ours, we would like to have full transparency with you.

Curiouser Kitchen has access to and uses for the appropriate preparation of foods both:

- a commercial commissary kitchen
- an understanding and invocation of local cottage food laws

This means that we will be making appropriate items in our home kitchen and using the commercial commissary for non-stable items. We deliver directly from ourselves, to you, a fully informed client!

If you would like to learn more about cottage food laws attached below is a great resource including recent expansions and allowances such as the 2015 and 2016 Food Freedom laws.
